Re: Duwamish Shipyard, Inc. #N-17-0035-000

Dear Mr. Meberg:

The Hazardous Waste Investigations and Cleanup Program has completed a review on the "site category" status of the above named site. The enclosed updated Owner/Operator Site Information report reflects the current status in our database. An updated legend is enclosed for site category definitions.

In response to your request on 1/30/89 for a site category change, our records indicate that no confirmatory soil or groundwater sampling data has been provided to the Department of Ecology. The site category will remain as a C1 until further inspection and a Site Hazard Assessment are conducted.

If you have any questions, you may call me at 206/867-7209.
Thank you.

Sincerely,

Louise Bardy
